Attn: Mr. Paul Leonard

Philadelphia, Pennsylvania 19107

Dear Mr Leonard:

Enclosed please find four (2) copies of the Draft Final Engineering Evaluation and Cost Analysis (EE/CA) at Site 17, Firefighting Training Ring, NALF Fentress, for your review and comment. We would like to receive comments by March 11, 1994. This schedule is to ensure a FY 94 construction award. Future spending plans at LANTDIV may not afford this opportunity for a construction award at this site.

Please call Jim Harris, RPM NAS Oceana, at (804) 322-4776 if you have questions about the report or problems with the submittal date. Thank you for your cooperation on this project.

Sincerely,
